

Design 12: Step 10 – Implementation Plan

The Campaign

You are the Gift of Life aims to increase living kidney donation among healthy adults aged 18 to 40. The program's motto is "They only need one. You've got a spare to share." The campaign aims to challenge the priority population's misconceptions about donating an organ and to complete a free 5-minute screener at the National Kidney Registry's website.

What Will We Do

What	Who	When	How Many
Audience research on cost and risk of donation	Campaign team with NKR	Before launch	1 baseline study
Brand identity, testimonial videos, and myth busting content	Campaign team with donor alumni	Before launch	8 testimonials
Medical claims reviewed for accuracy before publication	National Kidney Registry	Before launch	All published claims
Landing page, screener link, and donor cost calculator	Campaign team	Before launch	1 site
Partner transplant centers onboarded with referral agreements	Campaign team with transplant centers	Before launch	All partner centers
Campaign launch	Full team with all partners	Beginning of campaign	1 coordinated launch
Social media on Instagram and TikTok	Campaign team	Throughout campaign	Ongoing
QR signage and activations	Campaign team with transplant centers	During campaign	At least one per region

What	Who	When	How Many
Donor support funds	National Kidney Registry	Ongoing	All advancing donors
Audience surveys and mid-campaign optimization	Campaign team with NKR	Mid and late campaign	2 survey waves
Asset and landing page transition	Campaign team with NKR	End of campaign	1 handoff

Who Will Be Responsible?

What	Who
Staff	Campaign coordination, budget management, content, and partner outreach
Partners	National Kidney Registry and transplant centers provide screenings, clinical review, and donor coordination
Sponsors	Grant funders and a corporate sponsor provide funding
Vendors	Creative and web development services
Consultants	Evaluation design, surveys, and reporting
Other publics	Donor alumni, transplant recipients, and physicians as messengers and support

How Much Will It Cost?

Category	What Is Funded	Cost
Product	Brand identity, testimonial video production and editing, myth-versus-fact infographics, clinical claims review, and the landing page build	\$23,000

Category	What Is Funded	Cost
Price	Donor support fund for travel and lost wages, audience research, the donor cost calculator, and analysis of competing behavior	\$33,000
Place	Transplant center onboarding and materials, QR and scheduling infrastructure, campus and community activations, and hosting	\$23,000
Promotion	Paid social media content and influencer partnerships, media outreach, National Donor Day activation	\$95,000
Evaluation	Pre- and post-campaign surveys, analytics and tracking, quarterly reporting, and mid-campaign optimization	\$31,000
Total		\$205,000

Sustainability Tactics

Tactic	How It Sustains
Prompts and permanent signage	QR signage stays posted at partner sites and the landing page
Recognition	Donor “swag bags” and an ongoing donor alumni program
Feedback	Quarterly dashboards and follow-up with screener incompletes
New tactics	An annual National Donor Day event and alumni events
Prompts and permanent signage	QR signage stays posted at partner sites and the landing page remains live under NKR ownership
